We are writing to inform you of your final result on the National Assessment Collaboration Examination.

Your total score is reported as a scaled score ranging from 500 to 700 with a mean of 600 and a standard deviation of 25. The mean and standard deviation were set using the results from the May 2023 session.

Your final result is based on your total score relative to the pass score.

For more information, please visit the exam's Scoring web page on our website, [mcc.ca](http://mcc.ca).

Supplemental information on your examination performance is reported to you in a separate document within your [physiciansapply.ca](http://physiciansapply.ca) account.
